There's no escaping ranch policy—anything to please a lady...

*The Boot Knockers Ranch, Book 3*

The Boot Knockers Ranch caters to women in all ways. And now rookie Paul is officially part of the team. He's had six months to hone his skills with the ladies and prides himself on being a prime catch.

Jack would agree. He can't get the rugged cowboy out of his system. He wants Paul in his bed more than anything, but his best friend has always been resistant to relations with other men. Jack's instinct says different, but he values Paul's friendship too highly to push it.

Then Jack takes on beautiful new client Lissy Lofton and finds himself falling hard for the confident show jumper. He's not the only one. Lissy has caught Paul's attention, and the attraction is mutual.

But now Jack has a problem. Lissy's sexual appetite is so ravenous, he doubts he can last the week without backup. Which presents an irresistible opportunity to invite Paul into their bed—where the incandescent heat brings all their walls tumbling down.

Warning: Contains two smoking-hot cowboys whose drive to please the same woman spurs a desire to please each other.
