At age twenty, Molly Shakespeare knows a lot.

She knows Descartes and Kant.

She knows academia and Oxford.

She knows that the people who love you leave you.

She knows how to be alone.

But when Molly leaves England's grey skies behind to start a new life at the University of Alabama, she finds that she has a lot to learn—she didn't know a summer could be so hot, she didn't know students could be so intimidating, and she certainly didn't know just how much the folks of Alabama love their football.

When a chance encounter with notorious star quarterback, Romeo Prince, leaves her unable to think of anything but his chocolate-brown eyes, dirty-blond hair and perfect physique, Molly soon realises that her quiet, solitary life is about to dramatically change forever...
