Bound to the Alpha Billionaire: The Designer's Obsession - Can be read as a Standalone book

When MI-6 operative Kameko Saito resigns from field work, billionaire fashion designer Thierry Belanger has only a day to find someone to take her place. Without a woman to help him infiltrate a cartel stronghold in Barcelona, Thierry will be unable to obtain vital information from a confidential informant about a planned attack. In desperation he asks one of his show manager/seamstresses, American Kate Garnet, to pose as his new supermodel mistress.

Kate Garnet has been in love with Thierry Belanger since she began working for him. When he transforms her, she hopes he'll finally see her as a woman instead of an employee. She knows he isn't telling her everything about the party they're attending, but she trusts Thierry. That faith is put to the test when the party they attend in Barcelona turns out to be a BDSM fest at which she and Thierry are expected to perform as lovers.

Thierry knows if he and Kate don't put on a convincing act they'll both be murdered, but before he can explain his seamstress seduces him into having bondage sex with her. The cartel informant passes along the plans and helps them escape. Yet once Kate learns the truth about the op, she's furious and leaves. Thierry catches up with her in Paris as she's packing up to return to America. Now can he convince her to stay and make their act real? Or has he ruined his chance to be with the woman with whom he's falling in love?
