William Shakespeare

Macbeth - Classic Version (Annotated, Quotes, Other Features) William Shakespeare

Macbeth

For many reasons **Macbeth** is among the most notable of **William Shakespeare**'s plays. First, it is much shorter than his other tragedies, with a first act which reads almost hurried. Second, despite the playwright's knack for fully fleshed-out characters brimful of complexities, only the title character seems to have any true dimension. And third, readers find in the part of Lady Macbeth one of the most forceful, reviled and yet fascinating female characters ever penned. With her powerful will, Lady **Macbeth** lights fire to her husband's ambitions, setting them on a course that leads them straight toward their respective dooms.
