I have traveled many roads, but riding the road to winning her heart is proving to be my greatest journey yet... "Nothing brings me so much pain and pleasure, like her mouth."

My name is Striker Black and this is my story...

Have you ever made a choice that changed everything? A decision that set off a chain of events that you could not control. Have you ever been torn between wishing to go back and change one night if it could repair all of the lives you ruined or being glad that it happened because it brought you, the most precious gift life had to offer?

As long as I can remember, I have sworn to protect her, to give her everything she ever needed. I waited so long for her to put her faith in me to trust in me to cherish her and I failed her. Letting down the one person who mattered most to me broke me, letting her go about nearly killed me.

Baby has loved and lost. Trying to pick up the pieces of her heart, she finds herself in the crosshairs of a tangled mess. Can Baby forgive the past and open her heart to the man who has loved her since she was just a girl? How many times can a heart be wounded before it finally bleeds dry...

Romeo has always been loyal to his patch and one woman has always owned his heart. He is soon finding out that loyalty and love doesn't always go hand in hand. When a new threat arises Romeo learns the hard way, all is not fair on the road and between the sheets.
