Running from her old life, innocent Elena finds herself thrust into the world of alpha bikers, domination, and freedom. Controlled her whole life, she jumps head first into the safety Striker offers, and she doesn't look back. When Striker realizes Elena is running from a twisted family and arranged marriage, he offers to help her. It isn't about Striker being noble; he's selfish and sees the natural submissive in her.

The Dom in him wants her in his bed, wants to control her in every way. As Elena realizes the kind of relationship Striker wants reaches out to the dark desires she has deep inside, she knows she wants to explore all he has to offer. Her feelings for him grow into something deeper, more intense, and Elena wants nothing more than to accept this new life with Striker, even if it's totally foreign and frightens her.

When they find that her family is still after her, Striker and the Soldiers of Wrath MC, a group of dangerous and violent bikers, know they must protect her at all costs. Elena chooses to put her life in their hands.

In the end, will Striker want more than just a willing submissive to warm his bed and sate his appetites?
