"[...]abandoned. Where the money came from that was thus transferred to the pockets of officials can be best explained by those who are versed in economical questions. For my own part, I cannot look back on that period without shame, and my only excuse, which is perhaps of little worth in the court of history, is that I was at the bottom of the ladder, and received the proportion paid to me by those who were in charge of the business. A few words may be devoted to describing the Yokohama society of those days. There were few ladies in the settlement. Japan was a long way from Europe, with no regular steam communication, and the lives of foreigners were supposed to be not very safe at the hands of the arm-bearing classes. The two[...]"
