This is a STANDALONE SHORT. This is NOT a full-length book. This short ends in a happily ever after with NO cliffhanger!

Emily Westcott is an up and coming Interior Designer who just so happens to be a witch. She gets a strange call one day for a consultation with the elusive and mysterious billionaire Sean Simons. She has no idea what he could want with a plain curvy witch like her, but she can't pass up the opportunity to grow her business. Only she doesn't know that Sean's been carrying a torch for her for years. Once the billionaire bachelor gets her into his home, there's no turning back. The Tiger inside of him won't let his mate slip through his fingers again.

He'll unleash everything in his arsenal to convince the delectable little witch that she doesn't belong anywhere else, but at his side.

This scorching hot short story is filled with fun-seeking heroines and the rugged Alpha shifters that can't get enough of their curves. Be prepared -- I don't leave out any of the dirty little details ;)
