Edgar Cayce and the Hall of Records: Solving the Mystery of the Hall Of Records and the Sphinx Connection using Ancient Egyptian Texts, Astronomy, and the Edgar Cayce Readings John M. Bunker, Karen L. Pressler

The famous psychic and healer, Edgar Cayce, was providing clues in the "life readings" he gave nearly a century ago to the location of a lost Hall of Records. This hidden chamber is said to contain historical archives and artifacts from the most remote times in prehistory. Yet, it remains undiscovered. Most people have assumed that it will be found in a chamber under the Sphinx at Giza, but all attempts to locate it there have met with failure. At last the evidence has been reevaluated outside of the traditional thinking, to reveal incredible new conclusions that are difficult to argue. The sphinx that guards the Hall of Records is not the Giza Sphinx at all, but rather a sphinx star constellation in the night sky. And the Hall of Records is not below the ground, but rather elevated up among the stars at the top of the great middle pyramid at Giza. Finally, we can point directly to a spot and say with confidence, "This is where the Hall of Records will be found." The facts are irrefutable!
