Slow Motion: A True Story

Dani Shapiro

Slow Motion: A True Story Dani Shapiro

From one of the most gifted writers of her generation comes the harrowing and exquisitely written true story of how a family tragedy saved her life. Dani Shapiro was a young girl from a deeply religious home who became the girlfriend of a famous and flamboyant married attorney--her best friend's stepfather. The moment Lenny Klein entered her life, everything changed: she dropped out of college, began to drink heavily, and became estranged from her family and friends. But then the phone call came. There had been an accident on a snowy road near her family's home in New Jersey, and both her parents lay hospitalized in critical condition. This haunting memoir traces her journey back into the world she had left behind. At a time when she was barely able to take care of herself, she was faced with the terrifying task of taking care of two people who needed her desperately.

Dani Shapiro charts a riveting emotional course as she retraces her isolated, overprotected Orthodox Jewish childhood in an anti-Semitic suburb, and draws the connections between that childhood and her inevitable rebellion and self-destructiveness. She tells of a life nearly ruined by the gift of beauty, and then saved by the worst thing imaginable. This is a beautiful and unforgettable memoir of a life utterly transformed by tragedy.

From reader reviews:

Mildred Parker:

Here thing why this Slow Motion: A True Story are different and reliable to be yours. First of all examining a book is good nevertheless it depends in the content of the usb ports which is the content is as yummy as food or not. Slow Motion: A True Story giving you information deeper and different ways, you can find any e-book out there but there is no guide that similar with Slow Motion: A True Story. It gives you thrill looking at journey, its open up your own eyes about the thing that happened in the world which is maybe can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your means home by train. In case you are having difficulties in bringing the paper book maybe the form of Slow Motion: A True Story in e-book can be your choice.

Sergio Hawkinson:

Information is provisions for anyone to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is within the former life are challenging be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Slow Motion: A True Story as your daily resource information.

Amber Tyson:

This Slow Motion: A True Story is great e-book for you because the content that is certainly full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it information accurately using great manage word or we can claim no rambling sentences included. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but difficult core information with wonderful delivering sentences. Having Slow Motion: A True Story in your hand like getting the world in your arm, details in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen moment right but this reserve already do that. So , this is good reading book. Hello Mr. and Mrs. active do you still doubt that will?

Deanna Jackson:

A lot of e-book has printed but it differs. You can get it by net on social media. You can choose the best book for you, science, comedy, novel, or whatever through searching from it. It is called of book Slow Motion: A True Story. You can add your knowledge by it. Without causing the printed book, it might add your knowledge and make a person happier to read. It is most important that, you must aware about publication. It can bring you from one location to other place.
