The Magical Forest of Aliveness: A Tale of Awakening Mary O'Malley

The Magical Forest of Aliveness is a wonderfully wise story which equips the inner child with metaphors to open the way for awakening to one's true nature. It's a sweet, simple, and wise poetic journey into human awakening that calms the mind, warms the heart, and speaks directly to the soul. A marvelous tale about the "stuff no one ever told us," but that would have changed our lives if they had.
