This story continues "The Loneliest Man in the Territory," starting right before Regan gets swept over the falls while helping a pioneering family cross a river. Regan Trahern had pretty much raised himself and learned things the hard way, so he had bounced in and out of trouble, broke most of his bones, and still landed on his feet.

- Traherns are hard to kill, and Regan Trahern is one of the toughest.
- Waterfalls and bears can't conquer him, how about a young lady?
