**Wishes** Ronnie G. Anderson

Wishes is the compilation of two previous novels into a single publication. The Last Wish and Another Wish are the story of one young ghost with a musical talent that keeps returning for another try at life. She runs through three generations of the same family until she gets it right. Sometimes that is not without its angst as a thirty-five year old soul that remembers her past life finds herself in a young seventeen year old body. Things become quite twisted in her next reincarnation where she is actually the younger sister of a girl and remembers herself being her mother! Funny and fun are the only real way to describe this ghost story.
