Wolf Sirens Forbidden: Discover The Legend (Volume 1) Tina Smith

The Mystical Bond, the Fatal Allure ... of Hunter & Prey Misunderstood seventeen year old Lila Crain unwillingly moves to the foreboding town of Shade, prepared to face her punishment - Shade High. But she can't begin to anticipate the life-altering events that lie in wait for her. The dark and charismatic Reid has a wolfish grin and amber eyes that would make any girl blush and he has his sights set on the new girl in school. Reid's stunning friends - including icy top dog Sam - invite Lila into their clique. Suspicious, yet flattered by their attention, she lets down her guard and answers the intriguing call like a moth to a flame. Thrillingly introduced to the local nightlife by the enigmatic group, Lila finally feels like she belongs. But her newly found friendships threaten to turn sour when she unwittingly develops feelings for the leader's off-limits boyfriend, Sky. Tensions rise further when a quirky local named Cresida warns Lila to stay away from the clique at all costs. Undeterred, she is irresistibly drawn to uncover the truth behind their mysterious lifestyle. Lila unwittingly starts off a chain of events that will forever alter fate for both hunter and hunted as she learns they have been waiting for her... Inspired by the legend of the femme fatale goddess, Artemis, Wolf Sirens is a compelling gothic masterpiece of paranormal romance. Forbidden, Fever, Night Fall, Dusk in Shade, Dawn in Shade and Storm in Shade, and the prequel The Shade Before Us - all continue the tale of Lila Crain, the heroine with the chip on her shoulder, on an epic paranormal journey in which forbidden love threatens to destroy the underworld. "If you want a book with mythology, mystery, heartache, romance, and wolves, then check this series out." 4 Stars - Ryan caughtinasnyderwebb.blogspot "Rich, complex and deeply fascinating. Smith's creation stands apart from other books in the genre. Wolf Sirens has raised the bar for paranormal romance." - Kevis Hendrickson, author of Rogue Hunter
