Bride by Mistake Marilyn Shank

If Meg O'Malley could play pretend fiancée to any man on the planet, there's no question she'd choose Zach Addison. She had a huge crush on him back in high school, though he barely noticed her. To this day, she still compares every man she dates to him. So how could she refuse when her identical twin, Liza, asks Meg to take her place in a fake engagement to Zach (even if Meg is already practically engaged to someone else)?

Zach only "proposed" to his friend Liza in order to please his ailing grandmother during her final days. In reality, his heart is still healing from a nasty divorce. But the longer he pretends at romance, the more he finds himself really falling in love. The problem is, Zach doesn't know he's actually head over heels for *Meg*. And having been burned by a bride once before (his ex said she loved him but really just loved his money), Zach may commit to permanent bachelorhood when he learns he's been duped again.

Sweet and heartfelt, *Bride by Mistake* is a smart, romantic comedy that finds out whether two wrongs can make a right.

From reader reviews:

Christopher Patton:

Throughout other case, little individuals like to read book Bride by Mistake. You can choose the best book if you want reading a book. So long as we know about how is important some sort of book Bride by Mistake. You can add information and of course you can around the world by just a book. Absolutely right, due to the fact from book you can understand everything! From your country until foreign or abroad you will be known. About simple issue until wonderful thing you may know that. In this era, we can open a book or maybe searching by internet gadget. It is called e-book. You can use it when you feel weary to go to the library. Let's read.

Janice Wilham:

Book is to be different for each and every grade. Book for children till adult are different content. As it is known to us that book is very important normally. The book Bride by Mistake has been making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The book Bride by Mistake is not only giving you far more new information but also to get your friend when you sense bored. You can spend your own personal spend time to read your book. Try to make relationship with all the book Bride by Mistake. You never experience lose out for everything in case you read some books.

Jerry Montgomery:

This Bride by Mistake is great guide for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it details accurately using great coordinate word or we can declare no rambling sentences in it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but tough core information with lovely delivering sentences. Having Bride by Mistake in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen second right but this publication already do that. So , this is good reading book. Hey Mr. and Mrs. stressful do you still doubt that?

Lynda Alford:

Many people spending their time period by playing outside with friends, fun activity having family or just watching TV the whole day. You can have new activity to pay your whole day by reading through a book. Ugh, ya think reading a book can really hard because you have to bring the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smart phone. Like Bride by Mistake which is having the e-book version. So , why not try out this book? Let's observe.
