Lost By Love Melanie Chantelle

Why is it that we fall in love with the wrong man and don't realize it until it's too late. All the sacrifices we made and missed opportunities that we will never get back all because we refused to see what was right in front of us. Refusing to see the situation for what it is and refusing to see him for who he is. By the time we decided we had enough we're already in too deep not recognizing the person we have become as we search for traces of who we once were. Wishing we had never done the things we've done all because we were lost by love.
