**Moses, God, and the Dynamics of Intercessory Prayer: A Study of Exodus 32-34 and Numbers 13-14 (Forschungen Zum Alten Testament 2)** Michael Widmer

The author considers the significance of the canonical portrayal of Moses as intercessor. At the heart of this study is a close reading of Exodus 32-34 and Numbers 13-14 with particular focus on Moses' prayers.

By examining intertextual associations between these two accounts and other texts, the author argues for not only the paradigmatic nature of these prayers but also the intrinsic connection between prayer and biblical theology.
