Scholastic Q & A: How Do Flies Walk Upside Down? (Scholastic Question & Answer) Melvin Berger, Gilda Berger

From simple questions like "Which insects live in your yard?" to more complex ones like "What happens during metamorphosis?" this book helps kids understand the world of insects.

This book introduces children to the ways of insects, an insect's process of growing up, and to the insects they might meet in their backyard. Children will find the answers to all kinds of questions from how insects breathe, see, and hear to what they eat and how they defend themselves. They will also find out how army ants got their name and what makes bees so busy!
