Who is the Dajjal? Is he alive today? What are the Signs of his coming? Why is the First World War significant? Why isn't he mentioned in the Qur'an? Will he really raise the dead? What about the coming of Mahdi and return of Jesus?

Story of the Dajjal: The Antichrist is an attempt at a biographical look at the coming of the Great Deceiver and False Messiah through the Qur'an, Hadith, classical works and Prophetic Eschatology that provides us with clues of how close we are to his appearance.
