We have a beginning.

He is lying on his bed, bottle of whisky, twenty three anti-depressants, ready to die.

But why?

What has led him to want to take his own life, to want to throw it all away?

Join me as we go on this journey together, where your input and opinions really can help shape the fate of our suicidal friend.

Join me as I write each chapter and you receive them hot off the press and are then able to let me know what you thought, what you think should happen, what you would like to see happen.
