Prepare Students for the New Exam

Each unit in this new edition focuses on themes, language skills and testing formats utilized in the Advanced Placement Examination. The exercises have been designed not only to review and reinforce students' knowledge, but also to sharpen all language skills. Students become familiar with the actual directions from the test as well as the different types of exercises that appear in it. Care has been given to provide sufficient practice so that when students take the test, they can do it with ease and confidence.
