The Chocolate Lovers gang and their crazy stories come together in one, special edition book! Book 1 - Seduction and Snacks: 2012 Goodreads Choice Award Nominee - Best Romance 2013 Indie Romance Convention Award for Best Indie First Book Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely lovable (when he's asleep) toddler a better life. When Carter, the one-night-stand from her past that changed her life forever, shows up in her hometown bar without any recollection of her besides her unique chocolate scent, Claire will make it a point that he remembers her this time. With Carter's undisguised shock at suddenly finding out he has a four-year-old son and Claire's panic that her stretch marks and slim to none bedroom experience will send the man of her dreams heading for the hills, the pair will do whatever they can to get their happily ever after. Book 2 - Futures and Frosting: Carter, Claire and Gavin have formed the perfect little family. Their friends are getting married and everyone is growing up, maturing and ready to face the future. Or are they? From bachelorette party hell, porn addictions, dinner roll baseball and botched wedding proposals to finding out everyone's extended family is chock full of crazy, Carter and Claire begin to question the strength of the ties that bind them. Unfortunately, these ties have nothing to do with fuzzy handcuffs and everything to do with the mounting differences between them. Will their friends make a mess of things with their inappropriate comments and need to know everything, or will they convince the couple that happily-ever-after sometimes really can start with beer pong? Book 3 - Troubles and Treats: Drew and Jenny have spent years being the envy of their friends with their out of control sex lives – well, not really. Mostly it makes their friends want to throw up in their mouths a little. With two little kids and two busy lives, for the first time, Drew and Jenny aren't on the same page in the bedroom. Drew will stop at nothing to get his previously amorous wife back in the sack and Jenny will do anything for a full night of sleep. Carter and Claire, and Jim and Liz are their usual (un)helpful selves and are full of advice for the discontented duo, wanting nothing more than to help restore order to the usually happy couple's lives. In the third and final installment of the Chocolate Lovers Series, will Drew and Jenny find the spark that's been missing in their marriage, or will the trouble they're having cause a stickier situation than the time Jenny poured honey all over Drew and he fused himself to a tree? Short Story - Hearts and Llamas Join the Chocolate Lovers gang as they celebrate Valentine's Day in their usual fashion - with hair pulling, cage fighting and farm animals!
