**A decades-old cold case is testing everything one Texas Ranger thought he knew about obtaining justice...**

A lot of men on death row profess their innocence. Those men are mostly just scared of dying. Jaxon Ward understands that, but as a Texas Ranger he needs to uphold the law. Yet the story Avery Tierney tells him... He's convinced her brother is awaiting execution while the real killer remains at large.

Searching for the murderer opens old wounds for Avery, and now she has to face a past so traumatic she blocked it out. A past not so dissimilar to Jax's. Before long, the only comfort they find is in each other's arms. Avery's lost everything once before. And now, if she loses Jaxon, she fears she'll never recover.
