She's Gone Country Jane Porter

Shey Darcy, a 39-year-old former top model for *Vogue* and *Sports Illustrated* led a charmed life in New York City with a handsome photographer husband until the day he announced he'd fallen in love with someone else. Left to pick up the pieces of her once happy world, Shey decides to move back home to Texas with her three teenage sons. Life on the family ranch, however, brings with it a whole new host of dramas starting with differences of opinion with her staunch Southern Baptist mother, her rugged but overprotective brothers, and daily battles with her three sons who are also struggling to find themselves. Add to the mix Shey's ex-crush, Dane Kelly, a national bullriding champ and she's got her hands full. It doesn't take long before Shey realizes that in order to reinvent herself, she must let go of an uncertain future and a broken past, to find happiness--and maybe love--in the present.
