The Thicket

Joe R. Lansdale

The Thicket Joe R. Lansdale

ALA Reading List Award for History, Short List

Love and vengeance at the dark dawn of the East Texas oil boom from Joe Lansdale, "a true American original" (Joe Hill, author of *Heart-Shaped Box*).

Jack Parker thought he'd already seen his fair share of tragedy. His grandmother was killed in a farm accident when he was barely five years old. His parents have just succumbed to the smallpox epidemic sweeping turn-of-the-century East Texas--orphaning him and his younger sister, Lula.

Then catastrophe strikes on the way to their uncle's farm, when a traveling group of bank-robbing bandits murder Jack's grandfather and kidnap his sister. With no elders left for miles, Jack must grow up fast and enlist a band of heroes the likes of which has never been seen if his sister stands any chance at survival. But the best he can come up with is a charismatic, bounty-hunting dwarf named Shorty, a grave-digging son of an ex-slave named Eustace, and a street-smart woman-for-hire named Jimmie Sue who's come into some very intimate knowledge about the bandits (and a few members of Jack's extended family to boot).

In the throes of being civilized, East Texas is still a wild, feral place. Oil wells spurt liquid money from the ground. But as Jack's about to find out, blood and redemption rule supreme. In *The Thicket*, award-winning novelist Joe R. Lansdale lets loose like never before, in a rip-roaring adventure equal parts *True Grit* and *Stand by Me*--the perfect introduction to an acclaimed writer whose work has been called "as funny and frightening as anything that could have been dreamed up by the Brothers Grimm--or Mark Twain" (*New York Times Book Review*).

From reader reviews:

Sadie McBride:

Book is to be different for every grade. Book for children till adult are different content. As you may know that book is very important usually. The book The Thicket ended up being making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The reserve The Thicket is not only giving you more new information but also to be your friend when you sense bored. You can spend your own spend time to read your publication. Try to make relationship with all the book The Thicket. You never sense lose out for everything in case you read some books.

Dwight Case:

A lot of people always spent their free time to vacation as well as go to the outside with them family members or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read any book. It is really fun to suit your needs. If you enjoy the book that you read you can spent the entire day to reading a book. The book The Thicket it doesn't matter what good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. When you did not have enough space bringing this book you can buy often the e-book. You can m0ore very easily to read this book from the smart phone. The price is not too costly but this book features high quality.

Oliver Whitley:

Playing with family within a park, coming to see the marine world or hanging out with buddies is thing that usually you could have done when you have spare time, in that case why you don't try thing that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Thicket, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't have it, oh come on its referred to as reading friends.

John Parish:

Do you like reading a book? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many question for the book? But just about any people feel that they enjoy for reading. Some people likes reading, not only science book but in addition novel and The Thicket or even others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science guide was created for teacher or even students especially. Those books are helping them to put their knowledge. In some other case, beside science book, any other book likes The Thicket to make your spare time a lot more colorful. Many types of book like this one.
