He was the most social of writers, and at the height of his career he was the point where the glamorous worlds of the arts, society, and politics all met--a status perhaps best exemplified by his still-legendary *Black and White Ball*. Truman Capote truly knew everyone, and now the people who knew him best tell his remarkable story to bestselling author and literary lion George Plimpton.

Using oral biography, a technique that perfectly matches the style of his subject, George Plimpton blends the voices of Capote's lovers, haters, acquaintances, and colleagues into a captivating and highly readable narrative. Here we are present for the entire span of Capote's life: his Southern childhood and his early days in New York; his first literary success with the publication of *Other Voices, Other Rooms*; his highly active love life; the groundbreaking excitement of *In Cold Blood*, the first "nonfiction novel"; his years as a jet-setter; and his final days of flagging inspiration, alcoholism, and isolation. All his famous friends and enemies are here: Katherine Graham, Lauren Bacall, Gore Vidal, Joan Didion, William Styron, Kurt Vonnegut, Norman Mailer, Lee Radziwill, John Huston, John Knowles, William F. Buckley, Jr., and dozens of others.

Full of wonderful stories, startlingly intimate, and altogether fascinating, this is the most entertaining account of Truman Capote's life yet, as only the incomparable George Plimpton could write it.
