Essentials of Organisational Behaviour Laurie J. Mullins

A concise introduction to Organisational Behaviour, developed specifically for short courses and/or non-specialist business students. It focuses on the core topics of the discipline in detail, providing a survey of key theory and illustrations to show its application in practice. It is written for students on undergraduate and postgraduate degree programmes, and is particularly suitable for students of e.g. engineering, computing or other non-business disciplines taking an introductory module in business.
