## Ultimate Supernatural Erotica Collection: 12 Stories about Demons, Tentacles, Werewolves, and more... Leona Marisol

This bundle contains twelve stories about supernatural encounters - of **women stretched by dragons, demons, werewolves**, and all kinds of supernatural creatures. Their bodies will be **filled with the monster's seed** until all of it comes spilling out, finding no more space inside their holes. Not all of these women will simply yield to the pleasure, though, least of all a female assassin who uses her body to get close to her victims. Even a **tentacle monster** won't stop her in her tracks. And neither will the President of the United States, who isn't what he seems to be.

Additionally, this bundle contains three stories about the **Bikers from Hell, a demonic group targeting the most innocent of women**. They'll **stuff their every hole**, no matter how inexperienced they are. And then **these women will be creamed until their bellies start to bulge**. Only then can the bikers be reborn.

### The following stories are contained in this bundle:

- 01 – Sinister Contract
- 02 – Stealing Linda's Innocence
- 03 – Dungeon Monsters
- 04 – Knocking up the Twins
