**Buried Treasure: Secrets for Living from the Lord's Language** Rabbi Daniel Lapin, Susan Lapin

Buried Treasure: Secrets for Living from the Lord's Language gives you a glimpse into God's understanding of love, happiness, faith and wealth. This second edition is expanded and includes an entirely new chapter.

Join Rabbi Daniel and Susan Lapin on a fascinating treasure hunt through the Lord's language - one which will excite and inform those with no knowledge of Hebrew as well as those who are fluent in the language.

Unlike any other language ever spoken, Hebrew words reveal their meanings through the very order, composition and even shape of the letters that God chose for each word. Among other nuggets of insight, discover why in Hebrew the word "face" only appears in the plural, why a table is a place of grace, and why it is more important to have a spouse who is committed to you than one who professes love for you.

Using real-life anecdotes drawn from his many years in the rabbinate, as well as from the hundreds of thousands of people he has touched while teaching throughout America and overseas, Rabbi Daniel Lapin uncovers a wealth of insights that will enrich your life. Buried Treasure is an easy-to-read, practical book that will entertain and instruct you while revealing the awesome power of God's chosen tongue.
