## **Greek New Testament-FL** B F Westcott, F J A Hort

In their monumental critical edition of The New Testament in the Original Greek, Cambridge professors B. F. Westcott and F. J. A. Hort established the Greek text that has become the essential basis for nearly all subsequent editions and English translations. Through their groundbreaking reconstruction of New Testament textual history and their rigorous re-examination of the manuscript evidence, Westcott and Hort inaugurated a new era of textual study that has set the stage for all subsequent work. Beyond preserving the landmark text, this new edition offers students and scholars alike a handy and affordable Greek Testament for day-today use that includes English headings, synoptic parallels, and complete references to Old Testament quotations. This edition also includes a revision and expansion of Alexander Souter's A Pocket Lexicon of the Greek New Testament. Long a favorite among biblical scholars, Souter's Pocket Lexicon offers concise yet clear English definitions and helpful grammatical information on every Greek word used in the New Testament. A Foreword by renowned New Testament textual scholar, Dr. Eldon J.Epp, sets the Westcott-Hort text in historical perspective for contemporary readers.

Therefore there are a lot of benefits that you will get when one buys this book.

#### **James Butler:**

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Greek New Testament-FL can make you truly feel more interested to read.
