Magical Chaos at Beechhorn Cove: 3rd in the Realm's series of books... (Volume 3) Julie Folkers

The Techno Festival that had come to Hopplescotch Realm is now over, and Muriel returns home to Beechhorn Cove. But things have been happening while she was away, and more trouble is brewing for her and the other intriguing characters from the author's earlier stories. In their new adventures they meet a living statue and try to solve the mystery of the Puppet Meister. Some strange people seem to be controlling the affairs of the village, and Muriel and the children must find out who they are and stop them before it is too late. Magical Chaos at Beechhorn Cove is the third tale in Julie Folkers' exciting and very popular adventure series, which began with Abby and the Hopplescotch Realm and continued with Anika and the Techno Pirates. A magical read for children aged 8 to 16. Review I found this book to be a rollicky read, I especially enjoyed the descriptions of nature. Dr Brenda Kaye B.V.SC This is the 3rd book in Julie's Realms series. If you loved books like Harry Potter you will love this series of books, adults and children alike adore these books.
