The action thrills and the passion burns in this red-hot conclusion to the Wildefire trilogy which “offers potent magic and plenty of action” (*Booklist*).

Teenage volcano goddess Ashline Wilde discovers that her former love, Colt Halliday, has an evil plan to kill the Cloak, the benevolent beings that oversee the gods. And that’s not all—he also wants to merge Ash and her two sisters back into a single, too-powerful goddess, Pele. Ash must stop her trickster-god ex-boyfriend once and for all...and to do it, she’s going to have to feed a few flames.
