Driven into Exile: A Story of the Huguenots (Huguenot Inheritance Series, #5) A. L. O. E.

Volume 5 of the Huguenot Inheritance Series. Story of the Marquis la Farce and his family, driven into exile in England. Building a new life in a country so different than their native France is difficult enough, all the more as they learn of their son and brother being educated in the Roman Catholic faith back in France. This is a story of how the Lord strengthened this family and kept them united despite persecution and poverty. The Marquis la Force, along with his wife and daughter, are driven into exile to England. Making a life in a country the complete opposite of France is hard on the La Force family, especially when they hear that their son and brother Louis, still in France, is to be educated in the Roman Catholic religion. Meanwhile, Adele la Force is having trouble coping with poverty and her step-mother. This is a story of the Lord strengthening this Huguenot family and keeping them together in spite of persecution and poverty.
