**My stepbrother is back in my life.**

Wouldn't you know it, my next big case—the one that will make me partner at the law firm—has me working for playboy billionaire, Hayden Chase.

Hayden. My arrogant, demanding, distracting stepbrother.

I haven't seen him in years, and I don't like the way he's waltzed back into my life, expecting me to help him out.

All I have to do is ignore my feelings for him, focus on the case and prove that he's innocent—if he's even innocent.
