Think and Heal With The Mind: A Metaphysical book that explores the divine power to heal and quantum realms. Adopt this unique way of thinking that utilizes the laws of quantum physics for healing. Joseph Bruno

This book will project you into the various realms and dimensions of quantum physics and how it interacts with the power of healing. It postulates scenarios dealing with the many dimensions of string theory explaining these various realms and how to utilize these principles into creating the ability to heal. It eloquently captures the attributes of God and Light and how they relate. Once you have adopted these principles you will pave a new way of thinking and acting that is on a higher vibratory scale...to unleash your unlimited divine power. Why do we need poisonous medicine and risky surgery when we can tap into our mind power using the principles of quantum physics.
