Clean air is essential for all living creatures—plants, animals, and people—to live healthy lives. *Every Breath We Take* is a positive, life-affirming look at clean air, with a subtle message about how air can be dirtied—and how it can be cleaned up.

The first step to cherishing something is recognizing its importance and understanding why it is necessary.

A portion of the proceeds from the sales of this book will be donated to Moms Clean Air Force, a national movement of over a half million moms, dads, and grandparents who are protecting the right of every child to breathe clean air.
