Fundamentals of Prosperity: What They Are and Whence They Come Roger W. Babson

"Just the right tonic for a sick world, without any doubt. I wish every business man in the country would read it, especially the younger men, just coming into power. Mr. Babson sees clearer and farther than any business man I know and has the courage and devotion to say what he sees." -George W. Coleman "Have you heard of Roger Babson, the great statistician and business expert? Then listen; he has written a book. You can read it in an hour. It is just the thing you want to reach the apathetic man who passes up the church and spends his powers and energies on patriotism and good citizenship. Get this book at once. Read it." - The Western Christian Advocate
