Haters Alisa Valdes-Rodriguez

When Pasquala Rimalda Quintana de Archuleta (Paski)'s cartoonist father returns to Taos from a business trip wearing designer sunglasses and a velour Juicy men's track suit, she knows her life is taking a turn for the worse. Paski and her father move to Southern California, where his comic strip has been optioned for a movie.

At her new high school, money is everything and the haters rule - especially beautiful and cruel Jessica Nguyen. While Paski tries to concentrate on mountain biking and not thinking too much about ultra-hot Chris Cabrera, she is troubled by disturbing visions. Her psychic grandmother warned her that ignoring her gift of premonitory visions would lead to trouble. Can Paski ever find a home in the land of the glamorous haters?

From reader reviews:

William Martin:

The book Haters can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book Haters? Some of you have a different opinion about guide. But one aim that will book can give many information for us. It is absolutely appropriate. Right now, try to closer along with your book. Knowledge or information that you take for that, it is possible to give for each other; you are able to share all of these. Book Haters has simple shape nevertheless, you know: it has great and big function for you. You can appear the enormous world by available and read a guide. So it is very wonderful.

Concepcion Maldonado:

What do you concerning book? It is not important along? Or just adding material when you want something to explain what you problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to perform others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. They have to answer that question due to the fact just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this specific Haters to read.

Lisa Yates:

Spent a free time and energy to be fun activity to do! A lot of people spent their free time with their family, or their particular friends. Usually they carrying out activity like watching television, gonna beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your free time/ holiday? May be reading a book can be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to test look for book, may be the publication untitled Haters can be great book to read. May be it may be best activity to you.

Mattie Regan:

You are able to spend your free time you just read this book this e-book. This Haters is simple to develop you can read it in the park your car, in the beach, train and also soon. If you did not include much space to bring the particular printed book, you can buy the particular e-book. It is make you better to read it. You can save often the book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.
