- The final book of Cather's widely acclaimed 'prairie trilogy', My Ántonia is the spellbinding tale of Ántonia's life narrated by Jim Burden who bonds with Ántonio after his arrival in the fictional town of Black Hawk, Nebraska.
- Just as accessible and enjoyable for today's modern readers as it would have been when first published almost a century ago, the novel is one of the great works of American literature and continues to be widely read and studied throughout the world.
- This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is beautifully illustrated with a number of atmospheric historical paintings that reflect the mood of the novel.
