Tantra Illuminated: The Philosophy, History, and Practice of a Timeless Tradition Christopher D Wallis

Tantra Illuminated takes the reader on a fascinating journey to the very heart of Tantra: its key teachings, foundational lineages, and transformative practices. Since the West's discovery of Tantra 100 years ago, there has been considerable fascination, speculation, and more than a little misinformation about this spiritual movement. Now, for the first time in the English language, Tantra Illuminated presents an accessible introduction to this sacred tradition that began 1,500 years ago in the far north of India. Using translations from primary Sanskrit sources and offering a profound look at spiritual practice, this book reveals Tantra's rich history and powerful teachings.
