Two brothers, Andre and Paul, a pair of werebears, travel to the Alaskan wilderness so that Andre can better learn to control his transformation. The brothers live in Olympia, Washington, working as architects. Both brothers are surprised to find out that Andy, who is only half-werebear, inherited the transformative power. Throughout the journey, Andre learns to control his power and starts to feel more at home in nature than he ever did at the office.

Andy must decide if he wants to stay in the woods or go back to his life in Olympia. Paul tries to convince Andy to return home and runs into an old flame, a werewolf named Amelia. Amelia seduces both brothers, and Paul discovers it may have been a distraction so that her brother, Corion, could wage war on other werebears in North America. Will Paul and Andre stay with Amelia or join the werebears and attack the werewolves?
