**A Journey in Search of Korea's Beauty (English Ed.)** Bae Yong Joon

"A Journey in Search of Korea's Beauty" was a yearlong project that Bae Yong Joon undertook in order to learn more about traditional Korean culture from the unfledged yet earnest point of view of one Korean, and to record in a down-to-earth way what he learned and felt in the process. He chose 13 subjects he has been interested in out of the traditional Korean culture and folded into six categories. This book is intended not only for foreign readers who would like to learn more about traditional Korean culture but do not have easy access to it, but also for Korean readers as well who are in search of this country's beauty.
