Invasion: Book One of the Secret World Chronicle (Secret World Chronicles) Mercedes Lackey, Steve Libby, Dennis Lee, Cody Martin

From *New York Times* best-seller and science fiction and fantasy mistress of adventure Mercedes Lackey, the start of a new saga of modern-day humans with superpowers—and the men and women who must learn to wield those powers without losing themselves in the process. Plus, of course, an interdimensional Nazi menace! Inspired by characters created for the massive multiplayer on-line game *City of Heroes*, and supported by a popular web site podcast!

It's good to be meta-human, a superhuman hero in a world of normals. Use your superpowers, fight crime, stave off the occasional rogue mutant—then get some rest and have a nice day. But when swastika-laden robotic warriors from an alternate and incredibly advanced Third Reich discover a way to breach the barrier between worlds, the metas face an opponent that will push them to the edge of extinction. And if they can survive the transdimensional menace, the titanic effort will finally push the metas onward to find their true place in society and force them to forge a new, heroic destiny for their kind!

From *New York Times* best-seller and science fiction and fantasy mistress of adventure Mercedes Lackey together with a team of topnotch collaborators, the start of a new saga of superpowers—and the very human men and women who must learn to wield them without losing themselves in the process!
