## **The Renovation: Carter Mansion (Project Restoration Series, Book 1)** Terri Kraus

Ethan Willis has made a career out of restoring old houses like the Carter Mansion so he's an expert with doors and windows. He knows his way around a toolbox, a construction site, and anything else having to do with rebuilding. If only he could do the same with his own life. Tragically widowed and left with a young son, he's done the best he could, but now that Chase has become a teenager that best somehow isn't quite good enough.

For his part, Chase doesn't know what he'd do without baseball, his best friend Elliott and the secret hideaway even his dad doesn't know about. What he does know is that the reporter lady who suddenly started chatting with his dad can't be a good thing.

In a small town where everyone knows everything, does an outsider—a young, cute, ambitious reporter-kind-of-outsider like Cameron Dane—even have a prayer of getting to know the handsome but moody builder? Does it matter that they both hold secrets from their pasts? And can Chase ever be freed from the hidden guilt of his mother's death? Only time, and a special kind of patience, will tell.
