Though everyone knows about his behavior and his constant seduction of plenty of women, sleeping with them just once but never going past that, he always has many options of who he wants to take home for the night. Despite this, no negative rumors ever circulate around him and he is always admired for his success. This does result in him not feeling connected to people but that is something he will soon find has a fix. When his assistant surprises him with the news she must leave, they hire Velma as his new assistant and the way she treats him unlike anybody else has some unexpected and steamy results.

In *Bagging the Billionaire 2*, Despite his strong belief that one's business and personal lives should remain separate, he crossed that boundary when he met and fell for Velma. This romantic story explores how the woman who was meant to be his new assistant instead became his new girlfriend through meaningful conversation, exciting feelings, and sexy fun. But when things seem to be going perfectly well in their relationship, trouble comes up in the most unlikely manner from a very unexpected source. Despite all the difficulties the relationship faces, including a possible dalliance on Nathaniel's part as his reckless way of buckling under the pressure, the pair realize they are both in the relationship for the long haul.

In *Omega Apprentice*, Omegas don't really have a lot of options as far as jobs. They can flip burgers, style hair and work for Alphas. They couldn't work in any real jobs. They were expected to stay home and take care of the children. Their job was to please their Alpha.

Matt didn't feel that way. He wanted to rise to the top, and he was determined to do it. He put on his suit and grabbed his bag after downing a bagel. He checked the mirror to make sure his blond hair was perfect as he made his way out the door to find his fortune.

In *The Office Affair*, Angela is an aspiring writer who is almost close to having her dreams of being published in the prestigious Triumphant magazine. The only person that stands in her way is her jerk of a

boss, Franklin Kabot. She is determined to not let him win and works hard to achieve her goal of being a permanent writer at the company. But one wild night at the poetry club changes everything and she soon realizes that things are more complicated than they seem.

In *Finally Taken* , Katarina was back from an amazing summer road trip, only to find that she was short on tuition for the next year. With the term fast approaching, Kat takes a job with one of her friends at a local bar. She quickly finds herself in the middle of dangerous illegal activities and on the wrong side of the wrong man. With her safety in jeopardy and no hope in sight, she is saved by a dark-eyed man that promises to keep her safe. Kat soon learns that her plight is not over, as Carlos has his own secrets that are trying to crawl their way to the surface.
