## Firefighters

America's first responders answer the call nearly two million times each year as the nation's first line of defense in any emergency. *Firefighters* captures the spirit of the firefighting community in a riveting collection of 500 contemporary and vintage photographs. Written by experts, historians, fire chiefs, and officers, the book features first-hand accounts of courage in the face of danger; essays on urban and wildland firefighting; a look at training, trucks, and apparatus; and an overview of the history of U.S. fire departments, beginning with Ben Franklin's Union Fire Company in Philadelphia in 1736. Also included is information on volunteering, search and rescue, emergency medical services, and response to terrorism. *Firefighters* enables the history of America's bravest profession to be cherished permanently in a handsome package that all firefighters will be proud to own and display. This book will be read again and again by past and present firefighters, their families and friends, and by everyone interested in stories of bravery. It is being published in this magnificent collector's edition in conjunction with the National Fallen Firefighters Foundation.

### From reader reviews:

#### **Wilson Gonzalez:**

Why don't make it to become your habit? Right now, try to ready your time to do the important behave, like looking for your favorite e-book and reading a e-book. Beside you can solve your condition; you can add your knowledge by the e-book entitled Firefighters. Try to stumble through book Firefighters as your good friend. It means that it can for being your friend when you truly feel alone and beside those of course make you smarter than before. Yeah, it is very fortunated for you personally. The book makes you more confidence because you can know every little thing by the book. So , let us make new experience in addition to knowledge with this book.

#### **Antonio Nelson:**

The book Firefighters can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book Firefighters? Several of you have a different opinion about reserve. But one aim which book can give many data for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or data that you take for that, you could give for each other; you could share all of these. Book Firefighters has simple shape but you know: it has great and big function for you. You can appearance the enormous world by start and read a reserve. So it is very wonderful.

#### **Bruce Hardin:**

Playing with family in a park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, and then why you don't try point that really opposite from that. I activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Firefighters, it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh come on its mind hangout men. What? Still don't understand it, oh come on its known as reading friends.

#### **Christine Smith:**

A lot of people said that they feel bored when they reading a reserve. They are directly felt this when they get a half elements of the book. You can choose the actual book Firefighters to make your current reading is interesting. Your own skill of reading skill is developing when you such as reading. Try to choose very simple book to make you enjoy you just read it and mingle the idea about book and reading especially. It is to be 1st opinion for you to like to open a book and examine it. Beside that the e-book Firefighters can to be a newly purchased friend when you're truly feel alone and confuse using what must you're doing of the time.
