With powerful computer-based exercises, lab simulations and in-depth remediation capabilities, LabConnection provides a uniquely integrated supplement to hands-on networking courses, and can be used both as a virtual lab and homework assignment tool. LabConnection supports Cengage Learning's GUIDE TO COMPUTER FORENSICS AND INVESTIGATIONS, 4e offers remediation to the textbook. LabConnection, by dti Publishing, is a system that enables exercises and labs to be embedded within the curriculum and instruction. The system includes one simulated lab session per chapter of the text, each containing five to seven interactive exercises and one to three end-to-end lab procedures. The standalone DVD version allows use of the simulation product without the necessity of online access. LabConnection is also available as online and institutional versions, with full learning management capabilities.
