Tulipomania: The Story of the World's Most Coveted Flower and the Extraordinary Passions It Aroused (Windsor Selection) Mike Dash

This is the story of the first great stock market boom in history. In 1630s Holland there was a frenzy over an exotic bloom newly imported from the East: the tulip. Over three years, rare tulip bulbs changed hands for sums that would have bought a house in Amsterdam: a single bulb sold for more than #300,000 at today's prices. Finally, there was a horrendous crash and prices collapsed overnight, ruining thousands. A historian with a special interest in mass hysteria, Mike Dash recreates the Holland of the 17th century and follows a couple of families who were deeply involved in the mania.
