Virginia Woolf: Becoming a Writer Katherine Dalsimer

By the time she was 24, Virginia Woolf had suffered a series of devastating losses that later she would describe as sledge-hammer blows, beginning with the death of her mother when she was 13 years old and followed by those of her half-sister, father and brother. Yet vulnerable as she was (skinless was her word) she began, through these years, to practise her art - and to discover how it could serve her. Ultimately, she came to feel that it was her shock-receiving capacity that had made her a writer.
